---

**7th February 2017, 09:00**  
**WithumSmith+Brown, New York**

Join Robert Kiggins of Culhane Meadows, Scott Davis of WithumSmith+Brown and Brandon Roman of Squire Patton Boggs in New York at 09:00 am on Tuesday 7th February 2017 at the office of WithumSmith+Brown, 1411 Broadway, 9th Floor, NY 10018.

The morning discussion group meeting will be on how the legislative process in the US may deal with President Trump's ideas of lower corporate taxes and the likely effectiveness of his repatriation proposal, plus current discussions on s385 issues and corporate inversions. The meeting will be a prelude to a larger combined US/UK event to be held mid-March on the implementation in each country of the BEPS proposals of the OECD and its recommendations for a multi-lateral agreement to implement these recommendations.

Networking refreshments and pastries follow the discussion and offers the opportunity to meet fellow members and their guests. For more information or to register attendance, please visit [www.istructuring.com/branch-events/](http://www.istructuring.com/branch-events/)

The IBSA holds regular discussion groups at which members are invited as part of their annual fee, and we welcome first time guests who have not previously been to an IBSA discussion group meeting.
